Stand like god with your authority  
A bank account is what shows you're better than me  
Ruin lives just to get to the top  
Money is worthless when everything's gone

I will take you're life, can't have mine  
(I) will (NOT) take (GIVE) your (MY) life (NO) can't (NO)  
have (NO) mine

Nothing equals nothing  
Once you take your last breath there's not turning back  
Nothing equals nothing  
Once you take your last breath there's not turning back

Back in time  
Let's rewind your life  
Before silver and gold slowly replaced your eyes  
It's all that you need, all that you wanted  
Shell of a man greed has now haunted

I will take you're life, can't have mine  
(I) will (NOT) take (GIVE) your (MY) life (NO) can't (NO)  
have (NO) mine

Nothing equals nothing  
Once you take your last breath there's not turning back  
Nothing equals nothing  
Once you take your last breath there's not turning back

When I'm stairing straight into your eyes  
Tell me is this life or just a lie  
If I look deep I see hollow eyes  
All your dreams of empty dollar signs

When I reach out hatred burns my hands  
I see no respect for another man  
As I reach out far I touch the sky  
I scream, what happened to your life?

Nothing equals nothing  
Once you take your last breath there's not turning back

Nothing equals nothing  
Once you take your last breath there's not turning back

It will take your life  
It will take your life  
It will take your life  
IT CAN'T HAVE MY LIFE!

Have fun!!
