Out of total hate, disgust  
Ideas covered up in rust  
There is not much left to trust  
All our hopes turn to dust

Answer me  
I've got nothing left to lose  
You've got a lot to prove  
Tell me why should I believe?  
That you died for all my sins  
You've got a lot to prove

I will erase  
You, you  
I will waste no time  
You, you  
We are not sheep nor blind  
You, you  
I will waste no time  
You, you

And if you died for all my sins  
Well then I'll destroy you with pride  
Look who wins  
And all it takes are dirty thoughts to kill  
I'll sin a thousand times a day  
I'll kill at will

I will erase  
You, you  
I will waste no time  
You, you  
We are not sheep nor blind  
You, you  
I will waste no time  
You, you

Now you know why  
Now you will die  
Now you know why  
Now you will die

It is a hate I can't erase  
It is a face I can't escape  
It is a fear that I might fall  
I pull the rip cord and give all  
I cannot take this lying down  
When I look in to this place  
I want to rip you off your throne  
And from this world

I will erase  
You, you  
Truth will replace  
You, you  
I will erase  
You, you  
Truth will replace  
I will erase  
Truth will replace  
You
