Wait a minute baby,
If you're walkin' out the door.
You better look before you leap, boy.
Don't [you'll?] be comin' back for more.

Listen to me baby,
It's important that you try and understand.
I am not a fighter, I'm a lover,
I'll do anything I can.

[Chorus]
And...
Don't make make a fool of yourself.
Better think it over, baby, one more time.
Don't make make a fool of yourself.
Better get a grip before you lose your mind.

Wait a minute, baby,
Was it somethin' that I said?
Nothing's coming from your heart, boy.
It's only comin' from your head.

Woah, ohh, oh, oh...

Shake it, shake it, baby,
If that's what you wanna do.
Just remember everybody, baby,
Wants to shake their booty too.

Listen to me baby,
It's important that you try and understand.
I am not a fighter, I'm a lover,
And your wish is my command.

[Chorus]

Listen...
Understand?...

[Distant background singing:]
Never... Don't you understand?... Take my hand...

[Chorus]

[Chorus]

Don't make make a fool of yourself.

Don't make make a fool of yourself.

Don't make make a fool of yourself.

Better think it over...
