Dan-dan-dan-dan-dance with me tonight
Dance, boy
Dan-dance with me
Dan-dan-dance with me tonight
B-b-b-boy from the wrong side of town

We connect
When we're together, it's so perfect
Boy, you shock me with your wide hot love
I start to overload
I explode when we connect

We connect
When we're together, it's so perfect
Boy, you shock me with your wide hot love
I start to overload
I explode when we connect

It's no exaggeration, not imagination
You're the finest boy around
Playing with temptation, overnight sensation
With a boy from the wrong side of town

Give me your love and affection
Dance with me tonight
Give me all of your attention
Dancin' in love's light

We connect
When we're together, it's so perfect
Boy, you shock me with your wide hot love
I start to overload
I explode when we connect

We connect
When we're together, it's so perfect
Boy, you shock me with your wide hot love
I start to overload
I explode when we connect

I-I-I-I-I explode

I explode when we connect

Love and affection
Dance with me tonight

We connect
When we're together, it's so perfect
Boy, you shock me with your wide hot love
I start to overload

Come on

Give me your love and affection
Dance with me tonight
Give me all of your attention
Dancin' in love's light

We connect
When we're together, it's so perfect
Boy, you shock me with your wide hot love
I start to overload
I explode when we connect

We connect
When we're together, it's so perfect
Boy, you shock me with your wide hot love
I start to overload
I explode when we connect

We connect
When we're together, it's so perfect
Boy, you shock me with your wide hot love
I start to overload
I explode when we connect

We connect
When we're together, it's so perfect
Boy, you shock me with your wide hot love
I start to overload
