Have you ever loved someone so much you wana give
em harbor?
Have em swept out yours arms and still go hard for?
Have ya ever put your self out there and gave your lifes
risk
Well I have just so I can keep my love and blisk.
I have faith in you,
When were together forever I expect you to be true and
love me
Baby you promised this was how it would be
I need you baby and you need me,
So step up to the plate and treat me like you love me
show me that I'm great.
I wana be that one to hld you every lonely night but
baby when times get
