Come and get it, catch me if you can (2x)
If you want to be my man, diamonds might be fine
If you want to hold my hand, champagne™ s oh, so
nice
I can do some loving, a candle light romance and
I™ d be out there dancing
So catch me If you can
Come and get it, catch me if you can (2 x)
If you want to be my man, diamonds might be fine
If you want to hold my hand, champagne™ s oh, so
nice
I can do some loving, a candle light romance and
I™ d be out there dancing
So catch me If you can
You, kiss me softly,
And I sing so sweetly
If you like the melody I sing to you, than catch me if you
can
Come and get it, catch me if you can (2 x)
You, kiss me softly, And I sing so sweetly
If you like the melody I sing to you, than catch me if you
can
Come and get it, catch me if you can (2 x)
Catch me if you can (4X)
