Feelin' good
I'm so bad at this, I really am
Ooh sha la la
Sha la la

Feel love when I look into your eyes
I get butterflies almost every time
Hey love, every time we meet
Boy I get so weak, I can't even speak, oh no

I wish you could be here all the time
Oh, 'cause baby you belong at my side

Hey, what more can I say
I'm always thinkin' of you
You make it so easy to luv you
Baby, baby, babe it's never too hard to
Revolve my world around you
Hey, you make it so easy to luv you

Every night we spend, I don't want it to end
Let it start over again say love, with you I feel at ease
Things that seemed important don't seem that
important
'Least that way to me

Boy you know I hate when you leave
Oh won't you please just stay here with me

Hey, what more can I say
I'm always thinkin' of you
You make it so easy to luv you
Baby, baby, babe it's never too hard to
Revolve my world around you
Hey, you make it so easy to luv you

Oh umm, he was tall, and umm everything was good
We had our he made me laugh a lot, and
So I thought I thought that would uh, you know

Hey, what more can I say
I'm always thinkin' of you

You make it so easy to luv you
Baby, baby, baby, baby, babe it's never too hard to
Revolve my world around you
Hey, you make it so easy to luv you

Hey, what more can I say
I'm always thinkin' of you
You make it so easy to luv you
Baby, baby, babe that's never too hard to
Revolve my world around you

Sha la la
Hey what more can I say
I'm always thinkin' of you
You make it so easy to luv you
Oh baby
It's never too hard to
Revolve my world around you
You make it so easy to luv you
