Everything I have is yours

I said a prayer
That someday
I would find a boy
And together we'd find joy
Maybe someday

And he would care
About the color of the sky
About the things
That make me cry
Maybe someday

If it happens
This is what I'd say
And baby, yeah

And I will give you my life
Together we'll make it right
And I will say to you
What is for sure

Let me tell you
That I'll give you my world
And baby I'll be your girl
And I will say to you
Everything I have is yours

I wonder if that maybe
God has showed him
He is the one
Who's gonna marry me
Maybe someday

So, I'm gonna wait
'Cause I'm worth waiting for
And what I'm worth
Is so much more
For that someday

And if it happens

This is what I'd say
Is what I'd say
This is what I'd say

And I will give you my life
Together we'll make it right
And I will say to you
What is for sure

And I'll give you my world
That I'll give you my world
And baby I'll be your girl
And I will say to you
That everything I have is yours

This is what I'd say
And I will give you my life
Together we'll make it right
And I will say to you
What is for sure

And I'll give you my world
That I'll give you my world
And baby I'll be your girl
And I will say to you
Everything I have is yours

And I will give you my life
Together we'll make it right
And I will say to you
What is for sure

That I'll give you my world
And baby I'll be your girl
And I will say to you
Everything I have is yours
