Oh boy you got me so frustrated
Does everything have to be your way?
I try to tell you what im thinkin
But its like you don't hear what I say
You're killin me, first you feelin me, just be real with me
Tell me its over
So insensitive, I get defensive when, you get to trippin
and
I'm like so what

Then you turn around
And lift me off the ground
I realize the truth
That I'm a fool for you

CHORUS

Sometimes I love you, sometimes I hate you
At times I feel I'm just confused
You're complicated, don't understand you
Wish you would tell me what to do
Cause your love has got me so frustrated
Your love it can be so frustrating
Sometimes I love you, sometimes I hate you
All I know is I belong to you

Oh boy its like I'm goin crazy
From fallin in and out of love
Sometimes I dont know how I'll make it
When we're growin in and out of touch
First youre fellin me, then you're illin me, just be real
with me
Tell me its over
So insensitive, I get defensive when, you get to trippin
and
I'm like so what

Then you turn around

And I feel like I'm fine
What am I to do?
To keep on lovin you

(CHORUS)

Then you turn around
And my world's upsidedown
And I realize the truth
I'm crazy over you
(CHORUS x2)
