Sometimes the pleasures I see in this world
Look so attractive to me
Some days I'm driven by the things that I want
More than the things that I need
When I'm weakest

They sparkle the brightest it's true
But they'll never shine brighter than you
When my mind is uncertain
My heart keeps holdin' on

My heart keeps holdin'
Holdin on to you
My keep holdin on
Holdin on to you

My eyes deceive me and turn away
To the places that I left behind
I can't trust these voices that lead me a stray
Always confusing my mind

But the truth is
You've captured my heart I know
And there's no way I'll ever let go
When my mind is uncertain
My heart keeps holdin' on

My heart keeps holdin'
Holdin' on to you
My keep holdin' on
Holdin' on to you

My clinging to you
Is really you embracing me
My clinging to you
Is really you embracing me

My heart keeps holdin'
Holdin' on on on on

My heart keeps holdin'
Holdin' on to you

My keep holdin' on
Holdin' on to you

My my my heart keeps holdin'
Holdin' on to you
My my my keep holdin' on
Holdin' on to you

It keeps holdin'
It keeps holdin'
