I'm lost without You.
I've been waiting for You to show up.
But You never came 'round here.
Now I'm lost 'nd out of luck.
If no One lends a helping hand
to take me to another land...
If no One will show me love
then can I count on You to take me above?

CHORUS:

Lord, I have a favor to ask of You.
Could You take me forever
to live a life filled with laughter
with You forever after?
I know I really ain't perfect.
Maybe You think it's not worth it.
Maybe You think I'm worthless.
Maybe I'll just have to wing it...
I can't help but live Your word...
...I think I've got a crush on You, Lord!

Not the kind of silly childish crush.
Not the kind that always make one blush.
Not the kind that give one a hot rush.
It's the kind that brings one's sin to a hush!
The most important thing in one's life.
Better than anything one likes!
It's found inside both...you and me.
It's the love from Him and one's family!

CHORUS x2
