(HESITATION)

Why the hesitation?
Our God is ever-waiting
Gotta stop procrastinating
Can you feel me?
Why the hesitation?
You can pick your destination
And the risk is so worth taking
Can you hear me?

(STRONG ENOUGH)

Is He not strong enough?
Is He not pure enough?
To break me, pour me out, and start again?

(I COULD BE THE ONE)

I could be the One
Somebody you're looking for
I don't have much to give
Lord, I'm ready
And through you
I could be the One
Whatever you want me to do
I will hold on to
What You say can be done
I could be the One
