yeh yeh oohh ohh
all through my life iv seen so many smiling faces come
and go
some of them have tried to bring my spirit low (dunno y
they want to)
cos they see my hearts devoted
to the one who always knows
since u hold my hand so tight or let it go (cant u see our
luvs just right)

i hear people talkin
theres no way im stoppin
empty words wont change my love for you

chorus:
im gna stay true
i dont want sumone new
im gna stay true to u (whoah)
im gna stay true
this is my attitude
im gna stay true to u
nobody else will do

all the tryin to convince me
that your love is just a lie
and i might as well be listenin to the sky (dont no wat
theyre thinkin)
sayin u wont reely love me
when u no wats deep inside
you'll just go cos ur above the sacrifice (cant they see
they're out ov line)

one thing that i no of
they cant steal your love
words wont change my point of veiw

chorus:
im gna stay true
i dont want sumone new
im gna stay true to u yeah
im gna stay true

hopin they'll see it too
im gna stay true to u
cos nobody else will do

this is all i want out of life
plz no ur love i will not deny

oh oh oh ohhhh
oh oh oh ohhhh

im gna stay
im gna stay true true to u
i think ill stay (stay) true (true)
im gna see it through
im gna stay true to u
nobody else will do
(i believe) that ur love is reel
(u wont ever leave) that they'll never steal
im gna stay true and thats my attitude
im gna stay true to u
nobody else will do!
