IÂ... can't get out of bed today  
Or get you off my mind  
I just can't seem to find a way  
To leave the love behind  
I ain't tripping  
I'm just missing you  
You know what I'm saying  
You know what I mean  
You've kept me hanging from a string  
While you make me cry  
I've tried to give you everything  
But you just give me lies  
I ain't tripping  
I'm just missing you  
You know what I'm saying  
You know what I mean  
Every now and then when I'm all alone  
I'd be wishing that you would call me on the telephone  
Say you want me back but you never do  
I feel like such a fool  
There's nothing I can do  
I'm such a fool for you  
I can't take it  
What am I waiting for?  
I'm still breaking  
I miss you even more  
And I can't fake it  
The way I could before  
I hate you but I love you  
I can't stop thinking of you  
It's true, I'm stuck on you  
Now loves a broken record that's been  
Skipping in my head  
I keep singing yesterday  
Why we have to play these games we play  
I ain't tripping  
I'm just missing you  
You know what I'm saying  
You know what I mean  
Every now and then when I'm all alone  
I'd be wishing that you would call me on the telephone  
Say you want me back but you never do

I feel like such a fool  
I can't take it  
What am I waiting for?  
I'm still breaking  
I miss you even more  
And I can't fake it  
The way I could before  
I hate you but I love you  
I can't stop thinking of you  
It's true, I'm stuck on you  
Every now and then when I'm all alone  
I'd be wishing that you would call me on the telephone  
Say you want me back but you never do  
I feel like such a fool  
There's nothing I can do  
I'm such a fool for you  
I can't take it  
What am I waiting for?  
I'm still breaking  
I miss you even more  
And I can't fake it  
The way I could before  
I hate you but I love you  
I can't stop thinking of you  
I hate you but I love you  
I can't stop thinking of you  
Don't know what to do  
I'm stuck on you
