

## Stacie Orrico "Wait"

You and I made mistakes  
We've been in and out of arguments  
And said some things we didn't mean to say, wait  
This time you're not the one to blame  
Sometimes I get a little too afraid  
I didn't mean to cause you any pain

So wait  
(Wait)  
Ah, wait darlin'  
(Wait)  
Before you go and throw our love away  
Can I get a minute to explain?

Now wait  
(Wait)  
Ah, think about it  
(Wait)  
Before you turn around and walk away  
Baby, how can I get you to stay now, wait?

Now, I've been caught with my heart on  
Time and time again, holdin' on, why  
Boy you know, I'm so alone I  
I just need a friend  
And you've been so good to me  
I don't wanna miss a real good thing

Wait  
(Wait)  
Ah, wait darlin'  
(Wait)  
Before you go and throw our love away  
Can I get a minute to explain?

So wait  
(Wait)  
Ah, think about it  
(Wait)  
Before you turn around and walk away  
Baby, how can I get you to stay now, wait?

You don't know what you do to me  
Baby, won't you sit and talk to me  
No, it doesn't have to be this way  
Darlin' I'm just wantin' you to stay

You don't know what you do to me  
Baby, won't you sit and talk to me?  
No, it doesn't have to be this way  
Darlin' I'm just wantin' you to stay  
(Wait, wait)

So wait  
(Wait)  
Think about it everyday  
(Wait)  
Before you turn around and walk away  
Baby, how can I get you to stay now, wait?  
(Wait, wait)

(Wait)  
Gotta wait, gotta wait  
(Wait)  
Yeahhh, oooh  
I'm just askin' you to wait on me  
Please wait  
Ooh, please wait baby  
Please wait
