She's got it all wrong  
she's got it all backwards  
she thinks her life's gone  
she thinks it's a disaster  
but little does she know  
that God is there  
he's always been and  
always will be beside her...

Chorus

she thinks she missed it all  
and she thinks her life is o-over  
but God will come to save her  
oooh just to save her from her fall...  
She's got it all wrong

she's knowing what's right  
she's thinking she was twisted  
she put up a fight  
oh or she woulda missed it  
oh little does she know  
that Christ was there  
all along  
and she never was without him

Chorus

She thought she missed it all  
and she thought her life was o-over  
but God came to save her  
oh he came to save her from her fall  
she had it all wrong

Oooo she never would have been here  
if Christ wasn't first here  
He was always with her  
And now she knows

Chorus

She thought she missed it all

and she thought her life was o-over  
(1, 2, 3, 4)  
But He came to save her  
O-o-oh just to save her  
from her her fall  
she had it wrong

Mmm

And now, ooooo now,  
She's got it all right
