Bap bap bap ba ba-ba
Da da da da-da
Ba da-da, Ba da-da
Bap bap bap ba ba-ba
Da da da da-da
Ba da ba

She was my bestfriend
It could have been
Anyone in a million
Still you had to have her

I'm going
To the air force
To fly away from you

Bap bap bap ba ba-ba
Da da da da-da
Ba da-da, Ba da-da

He doesn't understand
But my heart is broke
He sits waste dump
She just wants to have her way

I'm going
To the air force
To fly away from you
I can't be a bird
So lets take a plane
To ease the pain of lovin'

Do you really think
You're better off alone
Well, I am this
I know

I'm going
To the air force
To fly away from you
I can't be a bird

So lets take a plane
To ease the pain of lovin'
(Of loving)
