My girlfriends tell me that
I shouldn't be spendin' my time with you
And all you're looking for is to break my heart in two
How could something so bad make me feel so good
I hope this feeling lasts forever, so I knock on wood

At night, when the stars come out
I only think about spending time with you
Let my feelings show
And it feels so good
Girlfriends, they don't understand
To think that I am blind
That I can't see what's going on
But they don't know that I'm the guilty one, oh

Lock me up and throw away the key
'Cause I'm guilty for loving you [Guilty for loving you]
I'm guilty for loving you
And there's nothing that I can do
Lock me up and throw away the key
'Cause I'm guilty for loving you [Guilty for loving you]
Even if you break my heart in two
There's nothing that I can do

Let me tell you what you mean to me
You're everything that a man should be
When it comes to love, you're the one
You're every breath that I take
You control every move I make
And I thank my lucky stars you're the one

Sometimes I get crazy
When I know I'm gonna spend my time with you
Who's to blame me
And treating sanity
Other girls, they amazed me
If they're looking to my eyes and realize
That I'm guilty
Of love in the first degree, so...

Lock me up and throw away the key

'Cause I'm guilty for loving you
I'm guilty for loving you
And there's nothing that I can do
Lock me up and throw away the key
'Cause I'm guilty for loving you
Even if you break my heart in two
There's nothing that I can do

Lock me up and throw away the key
'Cause I'm guilty for loving you [Guilty for loving you]
I'm guilty for loving you
And there's nothing that I can do
Lock me up and throw away the key
'Cause I'm guilty for loving you [Guilty for loving you]
Even if you break my heart in two
There's nothing that I can do [Ohh...]

Twinkle, twinkle little star
Tell me if he's in his car
On his way back to me
To give me all the love I need
Tell me if he's with someone else
Leaving me all my myself
Please, can you let me know?
(Yo, Stacy! What's up?)
I gotta go

(Piano solo)

[Ohh... oh...]
Lock me up
'Cause I'm guilty [Guilty for loving you]
I'm guilty for loving you
And there's nothing that I can do
[Guilty, guilty, guilty, guilty for loving you]
'Cause I'm guilty for loving you
Even if you break my heart in two
There's nothing that I can do [Ohh... oh...]

Lock me up and throw away the key [Ohh... ohh... ohh...]
'Cause I'm guilty for loving you
I'm guilty for loving you
And there's nothing that I can do [Ooh, boy]
Lock me up and throw away the key [Guilty, ooh, boy]
'Cause I'm guilty for loving you
Even if you break my heart in two
There's nothing that I can do [I'm guilty of love]

Lock me up and throw away the key [I'm guilty of love]
'Cause I'm guilty for loving you [In the first degree, I'm
guilty]

I'm guilty for loving [Guilty for loving you]
And there's nothing that I can do [I'm guilty]
Lock me up and throw away the key [Guilty for loving
you]
'Cause I'm guilty for loving you [I'm guilty]
Even if you break my heart in two [Guilty for loving you]
There's nothing that I can do
