In the morning
During sunrise
In the evening
Lookin' in your eyes

I was made
To hold your hand
You were made
To be my man

And I do, I do
Can you feel my heart beating fast?
And I do, I do
I want to make this moment last
And I do, I do
And the night is just for us
I do, I do
I really do love
You

In the morning
During sunrise
In the evening
Lookin' in your eyes

And I do, I do
Can you feel my heart beating fast?
And I do, I do
I want to make this moment last
And I do, I do
And the night is just for us
I do, I do
I really do love you

I do, I do
I really do love you
And I do, I do
I really do love you
And I do, I do
I really do love you
And I do, I do

I really do love
You
