I know who I am  
Who I am  
I know who I am  
Who I am

It always seems  
To rain on you  
It always seems  
To rain on me

We got each other  
To help one another  
We got each other  
Yeah, you and me

I know who I am  
And who I wanna be  
Woken lost  
I can finally see

I know who I am  
And who I wanna be  
I know who I am  
Who I am

I had my struggles  
I had my doubts  
I had my fate  
It would all work out

I had my heart broken  
My heart stolen  
I kept my fate  
And it all worked out

I know who I am  
And who I wanna be  
Woken lost  
I can finally see

I know who I am

And who I wanna be  
I know who I am  
Who I am

Everything  
Eventually goes out of season  
You can justify it

You will never find a reason  
You will never find a reason  
A reason

I know who I am  
And who I wanna be  
Woken lost  
I can finally see

I know who I am  
And who I wanna be  
I know who I am  
Who I am

I know who I am  
Who I wanna be  
Woken lost  
I can finally see

I know who I am  
Who I wanna be  
I know who I am  
Who I am

I know who I am  
Who I am  
I know who I am  
Who I am
