Is this the outcome
Is this the truth
Is there a connection between me and you
Is this the game you play
Is there another way for me to get through

This is unusual
This is unusual
Why do I care
This is unusual
So unusual

I am beyond this
Beyond you
Beyond trying
Trying to reach you
'Cause honestly
How can honesty 'cause confusion

This is unusual
This is unusual
Why do I care
This is unusual
So unusual

You're so scared and so am I
Why don't we give this a try
Come out
Come out where ever you are
Where ever you are
Come out
Come out where ever you are

This is unusual
This is unusual
Why do I care
This is unusual
So unusual
