Uh Oh Uh Oh...

Walking, I want to be any where
But here right now,
Walking, it's hard to see everything
So clear right now,

You're telling me white lies,
Baby, I can see it before you say it,
Maybe, if you wrote a song
I'd play and sing about your tale (White lies)
Do you think I'm a fool?
Shame on you and shame on me twice
For trusting, trusting

Uh Oh Uh Oh...

I need to get out of this town,
Before it sucks me in
Before I drown,
Stop telling me

White lies
Baby, I can see it before you say it,
Maybe, if you wrote a song
I'd play and sing about your tale (White lies)
Do you think I'm a fool?
Shame on you and shame on me twice
For trusting, trusting

Oh Ooo Oh Ooo...

Why can't you make up your mind?
Your wasting so much,
Your wasting all of my,

Why can't you make up your mind?
Your wasting so much,
Your wasting all of my time...

(Telling white lies)

Baby, I can see it before you say it,
Maybe, if you wrote a song
(White lies)
Do you think I'm a fool?
Shame on you and shame on me twice
For trusting, trusting
(White lies)

Baby, I can see it before you say it,
Maybe, if you wrote a song
I'd play and sing about your tale (White lies)
(White lies [3x])
Shame on you and shame on me twice
For trusting, trusting

Oh Ooo Oh Ooo...
Uh Oh Uh Oh...

For trusting you...
