With The Wild Pair

Ooh (Romeo and Juliet)  
Baby, don't ever forget  
(No, no, no)

We're just like Romeo and Juliet

Baby, let's feel the love  
That'll last forever  
And ever and ever  
Baby, baby, let's feel the love  
That never dies this time

I know we can do it  
(We can do it)  
If we only stick together, oh  
I know we can do it  
If we try (we'll try)

You see I believe  
That we've got a chance  
For the storybook romance

Let's be like Romeo and Juliet  
Lovers till the end of the line  
(Till the end of the line)  
However trying times we get  
I'll be yours (I'll be yours)  
If you will be mine  
(If you will be mine)

Just like Romeo and Juliet  
Ain't nothing gonna tear us apart  
(I got you right in my heart)  
Just say the words so I'll never forget  
(I'm your Romeo, you're my Juliet)

We've got the roots  
In a lifetime love  
The kind you spend  
Your whole life dreaming of

You know I believe  
That we've got a chance  
For a storybook romance

I know that we can do it  
Like Romeo and Juliet  
Lovers til the end, til the end  
The end of the line  
However trying times we get  
I'll be yours (I'll be yours)  
If you will be mine  
(If you will be mine)

Just like Romeo and Juliet  
Ain't nothing gonna tear us apart  
(Ain't nothing gonna tear us apart)  
Log on to kill this message.  
One thing, baby, you'll never forget  
You're my Romeo, I'm your Juliet

And, baby, once in a lifetime  
There's a present  
From the heavens above  
Baby, once in a lifetime  
You'll find this kind of love

Do you believe it can last forever  
I want a love that'll never die  
I had a dream we would live together  
Oh, just like, oh, just like

I'll be your lover, baby  
I wanna drive you crazy  
I wanna do it like  
Romeo and Juliet

No other one can do me  
The things you're doing to me  
It's like we're into movies  
Romeo and Juliet

I'll be your lover, baby  
I wanna drive you crazy  
I wanna do it like  
Romeo and Juliet

No other one can do me  
The things you're doing to me  
It's like we're into movies  
Romeo and Juliet

I'll be your lover, baby  
I wanna drive you crazy  
I wanna do it like  
Romeo and Juliet

No other one can do me...
