"Go Home, Get Down"

So that you're not alone
I wanna take you home with me
Well let's stay up all night
Or you can while I fall asleep

Don't ask I don't know
This is all, this is on
Don't tell me you don't know
I'll come back when I go

C'mon let's go home
You're my friend I want you to know

Don't tell me you don't know
I'll come back if you go

So if you tell me that you'll have me never leave me til I
die
Why try?
But if we're living and we're happy and I come back
when I go
You will know
[Repeat]
Don't ask I don't know I'll come back when I go
