They say this life anit easy
But I just play the game
You're my guardian angel
My shelter from the rain

When times are tough
and hope is gone
you're the one that I
depend upon.

Heart of a woman
Heart of a woman
Heart of a woman
Can make you cry

So if I every worry
If I'm feeling down
You'll be there to save me
You'll always be around

When times are tough
and hope is gone
you're the one that I
depend upon.

Heart of a woman
Heart of a woman
Heart of a woman
Can make you cry

They say this life anit easy
But I just play the game
You're my guardian angel
My shelter from the rain

When times are tough
and hope is gone
you're the one that I
depend upon.

Heart of a woman

Heart of a woman
Heart of a woman
Can make you cry
