And you know how much you mean to me,
Can you see me?
I'm on my knees,
And I know you don't show sympathy,
Just show me,
Please show me.

My heart is in a bag,
Like some grocery,
It won't be there for long,
Before it's put away,
So make up your mind,
We're running out of time,
I'm in the check-out lane,
I can't stand to wait.

And you know how much you mean to me,
Can you see me?
I'm on my knees,
And I know you don't show sympathy,
How do I know you care?
Just show me,
Please show me.

I'm not a Missouri boy,
But I think like one,
I want a girl who's not afraid,
To speak her mind and show her love,
Can you leave your comfort zone?
Cause I'm out here on my own,
I can't wait for eternity,
I need you here.

And you know how much you mean to me,
Can you see me?
I'm on my knees,
And I know you don't show sympathy,
How do I know you care?
Just show me,
Please show me.

You know,

I know,
I am on my knees,
I am pleading,
Don't tell me,
Just show me .
