I don't have a lot to say  
The way the things are changing  
Just feels the world might end on this day  
I must have forgotten how to do what I'm expected of

I just won't buy in  
To any of your fake bull shit

Is this what you wanted?  
Is this what you had to prove?  
Cause when I'm falling  
You think you can start something and just stop?  
I'm out of patience  
I'm out of options  
So, you know

So leave your friendship at the door  
You're running at the best  
And you fall for something fresh  
And you knew all things fade  
When she's gone he'll be the one left unseen

I just won't buy in  
To any of your fake bull shit

Is this what you wanted?  
Is this what you had to prove?  
Cause when I'm falling  
You think you can start something and just stop?  
I'm out of patience  
I'm out of options  
So, you know

Is this what you wanted?  
Is this what you had to prove?  
Cause when I'm falling  
You think you can start something and just stop?  
I'm out of patience  
I'm out of options  
So, you know

I'm out of patience  
I'm out of options  
So, you know
