I'm leaving while you turn away  
In the basement that's where I'm gonna stay  
There is blood in all the things I say  
Will you hate me if I stay this way

From the bedroom where we're running from  
There's a sequel to the things I've done  
You're a woman we both know it's true  
But the things that I've done to you

There is blood on the shoes you wore  
from the paper you were stepping on  
There is blood in all the things you say  
I won't hate you if you go away

There is blood on our hands again  
From the bedroom is where we will  
bring it back to the start again  
bring it back to the road again  
There is blood on our hands again  
From the bedroom is where will  
Bring it back to the road again  
Bring it back to...

From the bedroom where we're running from  
There's a sequel to the things I've done  
You're a woman we both know it's true  
But the things that I've done to you

There is blood on our hands again  
From the bedroom is where we will  
bring it back to the start again  
bring it back to the road again

There is blood on our hands again  
>From the bedroom is where will  
Bring it back to the road again  
Bring it back to...
