Sell all your shit get on a plane and you can fly away  
Every time that you are asked to talk all that you've got  
to say is

My love is right it tells me what to do  
Take my advice and sell all your shit too

My love is right it tells me what to do  
Take my advice and sell all your shit too

My love is right it tells me what to do  
Take my advice and sell all your shit too

We don't sleep at night  
We don't sleep at all

We don't sleep at night  
We don't sleep at night

Sell all your shit get on a plane so you can fly away  
My love is right it tells me what to do  
Take my advice and sell all your shit too

My love is right it tells me what to do  
Take my advice and sell all your shit too
