I don't understand why you'd be leaving me
I stayed because we were best friends
Things changed so fast I don't believe it's true
It's me that should be leaving you
I don't understand these things are changing me
I have my heart to defend
It's feels strange on the outside,
When you look to the inside
Well I don't understand
These things all look the same
I can't be your man if
I can't be your best friend
I seem to forget
I should be leaving you
For all of your deceitful lies
And only if you knew that I believed in you,
I could have been your perfect prize
It feels strange on the out side
When you look to the inside
Well I don't understand
These things all look the same
I can't be your man if
I can't be your best friend
I've loved and let go
It's easy to see that now
I've been blessed by your caress.
It feels strange on the out side
When you look to the inside
Well I don't understand
These things all look the same
I can't be your man if
I can't be your best friend
