And you bring me to my knees again  
All this time, that I can beg you please, yeah  
All the times that I felt insecure, yeah  
And I lift my burden out the door

I'm on the outside, I'm looking in  
I can see through you, see your true colors  
'Cause inside you're ugly, you're ugly like me  
I can see through you, see to the real you

All this time that I felt like this won't end was for you  
And I taste what I could never have, it's from you  
All those times that I tried, my intention, full of pride  
And I waste more time than anyone

But I'm on the outside, I'm looking in  
I can see through you, see your true colors  
'Cause inside you're ugly, you're ugly like me  
I can see through you, see to the real you

All the times that I've cried, all this wasted, it's all  
inside  
And I feel, all this pain, stuffed it down, it's back again  
And I lie here in bed, all alone, I can't mend  
And I feel tomorrow will be okay

But I know that I'm on the outside, I'm looking in  
I can see through you, see your true colors  
'Cause inside you're ugly, you're ugly like me  
I can see through you, see to the real you
