O-o-h child, things are gonna get easier  
O-o-h child, things'll get brighter  
O-o-h child, things are gonna get easier  
O-o-h child, things'll get brighter

Someday, yeah  
We'll put it together, and we'll get it all done  
Someday when your head is much lighter  
Someday, yeah  
We'll walk in the rays of a beautiful sun  
Someday when the world is much brighter

O-o-h child, things are gonna be easier  
O-o-h child, things'll be brighter  
O-o-h child, things are gonna be easier  
O-o-h child, things'll be brighter

Someday, yeah  
We'll put it together, and we'll get it all done  
Someday when your head is much lighter  
Someday, yeah  
We'll walk in the rays of a beautiful sun  
Someday when the world is much brighter

Someday, someday, someday  
We'll get it together, and we'll get it all done  
Someday when your head is much lighter  
Someday, someday, someday  
We'll walk in the rays of a beautiful sun  
Someday when the world is much brighter

O-o-h child, things are gonna get easier  
O-o-h child, things'll get brighter  
O-o-h child, things are gonna get easier  
O-o-h child, things'll get brighter

Right now, right now, oh yeah  
Right now, oh baby  
You just wait and see how things are gonna be  
You just wait and see how things are gonna be  
Right now  
You just wait and see how things are gonna be

Right now
