I will not forget you  
We cannot fight  
Forever but forever is getting closer

I will not forget you  
We cannot fight  
Forever but forever is getting closer

Tonight's our last break  
But I cannot find the answers  
Will I ever wake up  
Cause I'm falling back asleep

I'm running out of breath  
But somehow we will fake this  
Somehow we will make it  
Just like you taught me

I will not forget you  
We cannot fight  
Forever but forever is getting closer

I will not forget you  
We cannot fight  
Forever but forever is getting closer

Tonight's our last break  
But I cannot find the answers  
Will I ever wake up  
Cause I'm falling back asleep

I'm running out of breath  
But somehow we will make it  
Somehow we will fake it  
Just like you taught me

I will not forget you  
We cannot fight  
Forever but forever is getting closer

I will not forget you  
We cannot fight

Forever but forever is getting closer

So we will be laughing now  
We will, we will,  
We will be laughing now  
So we will be laughing now  
We will, we will,  
Be laughing now

I will not forget you  
We cannot fight  
Forever but forever is getting closer

I will not forget you  
We cannot fight  
Forever but forever is getting closer

We will, we will,  
We will be laughing
