Are you close to  
Or far from your conscience?  
As the petals of life  
Decay  
"ignorance is bliss"  
The sad remiss  
To the clarion call  
Of today

(see how it burns)

But, we struggle in wyrd with amusement  
And, contempt for all that holds  
Sway  
Are you close to  
Or far from your conscience?  
Is the question I ask  
Today

(see how they run)

Kameradschaft!

Are you close to  
Or far from your conscience?  
As their reason for life  
Fades away  
Petty beliefs - petty platitudes  
All ring hollow day

Are you close to  
Or far from your conscience?  
As the blossom of life  
Drifts away  
Are you close to  
Or far from your conscience?  
Is the question I ask today

Kameradschaft!

Every angel knows

The congress of liberty  
The sadness and smiles  
Of our memories  
With this - we let go  
Our lady of the snows

Kameradschaft!

Are you close to  
Or far from your conscience?  
As their meaning in life  
Dies away  
Are you close to  
Or far from your conscience?  
The question I ask today

Kameradschaft!
