Black angel, black angel  
As you grow up  
I want you to drink  
From the plenty cup  
My little black angel  
My little black angel as years roll by

I want you to burn down freedom's road  
My little black angel

Lie away safe in my arms  
Your father, you future protects you  
And locks you safe from all harm  
Little black angel I feel so glad  
You'll never have things I never had  
When out of men's hearts all hate has gone  
It's better to die than forever live on
