I'm an old fashioned boy cause I believe in love

And you're the only one that I've been thinking of

When I met you baby I knew from the start

That you were the one who could steal my heart

Chorus

You're the one that I've been looking for forever

The one that made my life seem so much better

You appeared to me, darling I can see

You're the one, you're the one for me to love

I'm an old fashioned boy cause I believe in love

And just like the stars shining down from above

It only took a moment for you to set my soul free

You gave me such a feeling that it had to be

You're the one that I've been looking for forever

The one that made my life seem so much better

You appeared to me, darling I can see

You're the one, you're the one for me to love

The one that I've been looking for forever

You're the one, you're the one for me to love
