Susan says she understands
Understands her man,
but I don't know
Susan says she loves her man
Tries the best she can,
but I don't know
And Susan says she must be free
Cause that's the way she feels
I'm caught in a crosswind
Turning in a wild spin
Maybe it's just all in my mind

Meet you at the station,
ya the station
Reservation for two
I'm going with you
Oh Baby with you
Sail away my blues
Take a China cruise
Baby with you
What I want to do
Oh baby with you

Travel round the nation ya nation babe the nation with
you
Anywhere will do
Oh Baby with you

High I'm a high I'm a high
I'm a high with you
baby with you
oh baby with you

I'll meet you at the station
ya the station reservation for two
I'm going with you
Yes baby with you

High, I'm a high, I'm a high
I'm a high with you
baby with you
Oh baby with you
