Baby, it's nice to have you here right now  
Baby, it's nice to feel you near now  
While I cover ground

Home is anywhere we're bound  
Yesterday the road was long, long without an end

Before you came along girl, I just pretend  
To be always havin' fun  
I was the lonely, lonely one, oh

Baby I'm a minstrel gypsy

I'd go anywhere they want me  
But baby I'm home where you are  
Baby I'm a minstrel gypsy  
And I want you with me, yeah  
Cause only with you I'm a star

Loneliness is no one's friend and time can pass so slow  
When it's 3 AM long past the late night show  
And every man needs love  
The comfort of sweet love, oh

Baby I'm a minstrel gypsy  
I'd go anywhere they want me  
But baby I'm home where you are  
Baby I'm a minstrel gypsy  
And I want you with me, yeah  
Cause only with you I'm a star

Baby I'm a minstrel gypsy  
I'd go anywhere they want me  
But baby I'm home where you are  
Baby I'm a minstrel gypsy  
And I want you with me, yeah  
Cause only with you I'm a star

Baby I'm a minstrel gypsy  
I'd go anywhere they want me  
But baby I'm home where you are  
Baby I'm a minstrel gypsy

And I want you with me, yeah  
Cause only with you I'm a star

Baby I'm a minstrel gypsy  
I'd go anywhere they want me  
But baby I'm home where you are  
Baby I'm a minstrel gypsy  
And I want you with me, yeah  
Cause only with you I'm a star
