That Monday morning choo choo  
Is leaving with my shoe shoe  
Taking all my everything away, today  
And that Monday morning sunshine  
Might as well be night time  
Cause I'm feel so sad and I'm going to end that mood.

All I feel like crying  
All I feel like dying  
Ohhh ohh

I guess I'm destined to be  
Plain neglected and rejected  
Tell the whole wo world about you

Of that Monday morning choo choo  
Is leaving with my shoe shoe  
I'm standing on track nine  
Those are the lunchtime blues

Ahhhhhhhh Ahhhhhhhh Ahh Ahh  
Ahhhhhhhh Ahhhhhhhh Ahh Ahh  
Ohhh ohh

I guess I'm destined to be  
Plain neglected and rejected and tell them whole wo  
world about you

Of that Monday morning choo choo  
Is leaving with my shoe shoe  
I'm standing on track nine  
Those are the lunch time blues

Do do do do do dooo... do  
Do do do do do dooo  
Do do do do dooo do doo doo dooo do dooo
