Blood Victory  
Piercing and transfixed  
Jesus bids me Shine?  
Curtains of flesh  
Barrier in pain  
Jesus bids me enslave

Dampness and old dust  
Lying in my throat  
Jesus bids me scream

Yes, we spit!  
On your pale history

Jesus bids us bleed

Blood victory . . . crouched in the corner  
Piercing and transfixed . . . Mary's pallid sow  
Jesus bids me shine?

Blood victory  
Blood victory  
Loki bids me gleam

Hurrah!
