We go to sleep with  
The Perfume Of Traitors  
A Nosegay - A Saturn Day  
We'll pillage upon return  
Digging up grief  
And, spreading the debt  
Capri on The Styx  
A mere Bagatelle,....

We go to sleep with  
The Perfume Of Traitors  
A Nosegay - A Saturn Day  
We'll pillage upon return  
Digging up grief  
And, spreading the debt  
Capri on The Styx  
A mere Bagatelle

Unsure and uncomfortable  
We struggle towards you  
God Is Now Here  
God Is Nowhere  
Unsure and uncomfortable  
We struggle towards you  
God Is Now Here  
God Is Nowhere.

We go to sleep with  
The Perfume Of Traitors  
A Nosegay - A Saturn Day  
We'll pillage upon return  
Digging up grief  
And, spreading the debt  
Capri on The Styx  
A mere Bagatelle

The income, The outcome  
The Sodomy in Silence  
I'll drink your tears  
From this drought of Love  
The income, The outcome

The Sodomy in Silence  
We'll drink our tears  
From this draught of Love

We go to sleep with  
The Perfume Of Traitors  
A Nosegay - A Saturn Day  
We'll pillage upon return  
Digging up grief  
And, spreading the debt  
Capri on The Styx  
A mere Bagatelle,....

We go to sleep with  
The Perfume Of Traitors

Digging up grief

Unsure and uncomfortable
