Yeah, I'm drivin' down your freeway  
In a brand new car that I just found  
Oh, it was parked there in your driveway  
Didn't want to wake you with a sound  
So I pushed it down the street  
Hopped in runnin', I rolled the window down  
Yeah, I'm doin' 95 now  
I'm smokin' crack, it can't be beat  
And thanks for all the money  
You left in your wallet on the seat  
Oh, it's generosity like yours  
That keeps us poor folk off the street  
Hey, I'm doin' 110 now  
Can you still hear me on your phone?  
I got a hundred cops behind me  
And overhead I hear the choppers groan  
Oh, I'm headed for the wall, now  
Gotta hang up now, thanks for the loan  
Chorus:  
So is this how we'll end  
My face here on TV  
Here's a message for your mother  
Out the window□□can she see?  
So I'm cuttin' to the exit  
I can see people on the shoulder wave at me  
They're wavin' at me  
Don't know how things will end, now  
But I never wanted this to be so hard  
That's how love will go, it's either there  
Or it's not there in the cards  
So I'll leave you now, but you'd better check  
The fire I set in our backyard  
Now I wonder if they'll shoot me  
Or just fire that taser gun  
And to tell you all the truth,  
It don't matter a difference either one  
I know it's just a job they're doin'  
A man's gotta take it as it comes  
Oh, I think my bumper fell off  
Somewhere ten miles back  
The transmission is history

The engine block is cracked  
I'm pickin' through these bottles  
Left here behind the seat  
The radiator's boilin' and  
The needle's in the heat  
So this is how it ends, now  
You get the kids and kick me out  
So I guess I had to show you  
That this man is not a mouse  
Hey, I hope you're happy now  
I gotta hang up now and crash into this house  
Daddy's home!
