"Whistle For Louise"

Bring your offering
Born to carry you to the other side
I will know you when things don't quite add up
Bring your parasol and your coffee cup

Chorus:

Dry
Crack the vent
And chances are we'll always be on the other side of town
But the wind will always whistle for Louise

Working at the pump, she knew gasoline
Maps and geography, beer and methedrine
No one showed when they put her six feet down
The day her garage blew the dog was all they found

Chorus repeat last line x2
