Look what your life has become
But in your mind you do wanna change
Why is it all not wonderful?
Why does it still feel so strange

Â'cause when it will come
And hold your hand
Then itÂ's all right
When it will come youÂ'll understand
ItÂ's all right

But you put your face down
You put your face down

You think your life is over now
IÂ'll tell you that itÂ's just begun
DonÂ't look back to what you couldÂ've done
Cause time wonÂ't wait for no one

Â'cause when it will come
And hold your hand
Then itÂ's all right
When it will come youÂ'll understand
ItÂ's all right

But you put your face down
You put your face down

Â'Cause the seeds youÂ've sown
They will grow
Look at the workaholic
You should know
All the things youÂ've done
They will never tell you who you are
Does it matter?
Does it matter?

But you put your face down
You put your face down

(But) you put your face down
You put your face down
