Try as I might
you do as you will
Pullback the blinds
Turn on the light
Move in for the kill
You find it in me
Fallen from grace
Affliction I don't want to see
In front of my face
But I take you now
To break me down

Poison
Your poison
It's perfect for me
So pour on your poison
It makes me feel free
It makes me feel

I'm burning inside
Where I've been numb
My old addictions tell me
I should turn and run
But I take you now
To break me down

Poison
You're poison
To pain that's in me
The cure of your poison
It makes me feel free

It makes me feel
It makes me heal
It makes me feel
I could even be alive

Poison
Your poison
It's perfect to me
The cure of your poison
It makes me feel free

Your poison
It's all that I need
So pour on your poison
It makes me believe
It makes me feel
It makes me heal
It makes me feel
It makes me heal
