Put on my shades
Turn the radio real low
Feels like Iâ€™m heading
Somewhere I donâ€™t really want to go
Feels like all is said and done
Feels like a million into one

Wish you were here now
I could touch your skin so pale
Lay down beside me now
You could pretend that you still care
Feels like all is said and done
Feels like a million into one, you say

The odds might change tomorrow
Weâ€™d be cursed if we didnâ€™t try
While me heart feels more like crying
Iâ€™m standing strong and thinking of
Reasons why Iâ€™m right

Like a real easy rider
Nothing bothers me tonight
Like the fly and the spider
You wrapped yourself around too tight

Feels like all is said and done
Feels like a million into one, you say

The odds might change tomorrow
Weâ€™d be cursed if we didnâ€™t try
While my heart feels more like crying
Iâ€™m standing strong and thinking of
Reasons why Iâ€™m right

Feels like all is said and done
Feels like a million into one, you say

The odds might change tomorrow
Weâ€™d be cursed if we didnâ€™t try
While my heart feels more like crying
Iâ€™m standing strong

The odds might change tomorrow
We'd be cursed if we didn't try
While my heart feels more like crying
I'm standing strong and thinking of
Reasons why I'm right
