Another cold and hazy night  
Another cal that breaks the quiet, ahh

YouÂ're stuck out somewhere, youÂ're alone  
YouÂ're crying on the telephone, ahh

ItÂ's the same old same old, story now  
And you love me  
Hate me, scream and shout  
And youÂ're high  
And can I please come down

IÂ've been wasting wasting so much time  
Hesitating waiting for a sign  
That somehow you would find your way back home

But youÂ're wasted  
Faceless and losing time  
IÂ'm the last thing last thing on your mind  
And I canÂ't help you find your way back home

We used to laugh at this abuse  
We said it kept the fire alive, ahh  
It used to keep my mind amused  
But now the joke is getting tired, ahh

ItÂ's the  
Same old same old vacant words  
The familiar  
Million times IÂ've heard  
I can change I van change  
When will we learn

IÂ've been wasting wasting so much time  
Hesitating waiting for a sign  
That somehow you would find your way back home

But youÂ're wasted  
Faceless and losing time  
IÂ'm the last thing last thing on your mind  
And I canÂ't help you find your way back home

Ohh, you know you're love still weighs me down  
Ohh, but I just can't keep hanging around

It's the same old same old alibi  
Fabricated explanations why  
I took some time to realize  
I've been wasting wasting so much time  
Hesitating waiting for a sign  
That somehow you would find your way back home

But you're wasted  
Faceless and losing time  
I'm the last thing last thing on your mind  
And I can't help you find your way back home

Another cold and hazy night  
I'm switching off my telephone
