

## Stan Van Samang "Whatcha Gonna Do?"

Visit "[Whatcha Gonna Do?](#)" on MotoLyrics.com

In my life  
By surprise  
She arrived  
Like a slap across my face  
And I never saw the signs  
I was strange  
Beautiful  
Not the same  
As the other guys she knows  
And she tells them all she's mine  
She says you're my ambition  
I'm yours on one condition

Whatcha gonna do  
To make me want you  
Say  
Whatcha gonna get me  
Show me what's new  
Hey  
Whatcha gonna do  
Whatcha gonna do  
Whatcha gonna do for me?

My baby holds me tight  
But I'm just a ladder  
Baby's movin' up  
I love her so I let her  
She says  
Whatcha gonna do  
Whatcha gonna do  
Whatcha gonna do for me?

And the lights  
Sting my eyes  
But to her  
It's a place that she calls home  
And the world can come and stay  
And we smile  
For the crowd  
But her touch  
Always seems a little cold  
It's the perfect game we play

This surface deep attraction  
It's such a sweet distraction

Whatcha gonna do  
To make me want you  
Say  
Whatcha gonna get me  
Show me what's new  
Hey  
Whatcha gonna do  
Whatcha gonna do  
Whatcha gonna do for me?

My baby holds me tight  
But I'm just a ladder  
Baby's movin' up  
I love her so I let her  
She says

Whatcha gonna do  
Whatcha gonna do  
Whatcha gonna do for me?

Fly me to the stars  
I'm guilty as you are  
Cause I let it go  
But I need you so

Whatcha gonna do  
To make me want you  
Say  
Whatcha gonna get me  
Show me what's new  
Hey  
Whatcha gonna do  
Whatcha gonna do  
Whatcha gonna do for me?

My baby holds me tight  
But I'm just a ladder  
Baby's movin' up  
I love her so I let her  
She says  
Whatcha gonna do  
Whatcha gonna do  
Whatcha gonna do for me?
