Iâ€™m starting to believe that youâ€™re insensitive or is it me.
Whatâ€™s to like to be free, thoughtless with no remorse or responsibility?
But you mistake reality
And if you think thatâ€™s who we are
You never really looked at all.

When you fall I wonâ€™t be waiting for you there.
You never thought you cared.
When youâ€™re alone youâ€™ll be lonely and despair,
Wishing I would care.

Thereâ€™s no remedy your own worst enemy
So whatâ€™s it like to believe â€™cause Iâ€™ve grown sick and tired
Of being what you need, of knowing who you are.
You never really looked at all.

When you fall I wonâ€™t be waiting for you there.
You never thought you cared.
When youâ€™re alone youâ€™ll be lonely and despair,
Youâ€™re wishing I would care. Youâ€™re wishing I would are

You were always faking and I thought this was real.
I guess I was mistaken so tell me how it feels
To know that I am broken alone and out of place.
I canâ€™t keep up with your lies or falling on my face.
You never really looked at all.

When you fall I wonâ€™t be waiting for you there, but you never thought youâ€™d care.
When youâ€™re alone youâ€™ll be lonely and despair,
youâ€™re wishing I would care

Youâ€™re wishing I would care Youâ€™re wishing I would care
Youâ€™re wishing I would care Youâ€™re wishing I would care
Youâ€™re wishing I would car, well, I donâ€™t â€™care cuz
Iâ€™m not there

You're wishing I would care...and you'll be wishing
I was there.
