"This is one thing that I was gonna wait a while before we talked about. Maybe we'll talk about it now so you can think about it. Because you all, we all have to make some kind of plans for ourselves. It's a free concert from now on..."

But the one major thing you have to remember tonight when you back up to the woods to go to sleep or if you stay here, is that the man next to you is your brother and you damn well better treat each other that way, cause if you don't, then we blow the whole thing, but we've got it right there.
